

Confined Space Equipment

Hand Torch - ATEX & IECEx

Hand Torch - ATEX & IECEx

Weighing just 145g, this hand torch packs the power of a much larger handlamp into a compact, robust unit.

It throws out an impressive 135 lumens where you need it, and an Intelligent Light Sensor adjusts the beam, extending battery life to save you time and money. Running up to 30 hours on one set of four standard AAA batteries, it also features a glo cap so it's easy to find in the dark.
